Gah ...!!

Kyo!!

Gah ...

"Cable Cross!!"

Die ...

Akari ...

... Huh !?

When I released Nee-chan's dormant power with my acupuncture, I never sensed that she had power like this...

But maybe she's being controlled by that "Medusa Eye" thing...

...She's so strong... I think... Akari-chan really means to kill Kyo...

I don't know... maybe this is the real Nee-chan...

That's what I was saying - this isn't Akari-chan's power, it's that Eye thing...

No... I don't think so...

★この物語はフィクションです。実在の人物、団体名等とは関係ありません。

Dreaming ...?

Didn't her power start to awaken when that Eye opened? She's been trained to become "Ashura"... and now it looks like that power is waking from its long dreaming...

Or maybe... it's because of that Eye that Neechan's real powers came out...?

...Sorry. Did I wake you?

No ...

Kyo ...!!

Kyo ...

...That's because... I'm afraid to sleep...

I don't know what you think about, Akari, but I hardly ever see you sleep.

Drink some of this and you'll sleep better.

If I sleep... maybe I'll wake from this dream of my life...

Oh Kyo, don't make that face! Did I say something too weird...?

I mean, why shouldn't I want to dream forever? I have my friends here...

I mean, I'm so happy when I'm with you... but I guess you can't hold onto a moment forever.

...Akari-chan...

I always though you were kind of mean...

When people are dreaming, everything seems real... I think that's what frightens me... that reality as I know it may be a dream.

And if I ever did decide to wake up, I might forget everything, and would be too sad...

Quit running away. And stop talking weird shit. Go to sleep.

Kyo ... I...

People's dreams are such fleeting things...

Reality... just a fleeting dream...?

Thank you... Kyo...

You don't care about this Eye, or my past... you make your own judge-ments

Kyo... as I thought, you didn't listen to a word I said.

...

We're out of here early tomorrow. Would you please get some sleep?

Did she mean that the time we spent together was just a dream...?

Reality...? Is this what Akari-chan meant by "reality"...?

Did Kyo ...?

Did he know...?

The more I think about it, the more I wonder...

...And what are Yuan and I supposed to do? We're turning to stone... And Onime no Kyo, too - Neechan's supposed to reverse the petrification.... What do we do? (even my needles don't work)

And it's spreading... I don't think we've got a lot of time left...

I don't think there is anything we can do...

He probably ...

You look so happy...

I just want to be with Kyo... and all of you, of course.

...This is too much to watch.

Kyo must have known that the dream would end...

I put my faith in my left hand.

I will control everything in heaven and on the earth... My life and its darkness together...

... That sounds fun.

Watch out! He's going to do something big!

Hey, Akari... let me show you why I'm the best there is.

There's still one ougi left of the four in Mumyou Jinpuu Ryuu... "Genbu."

No way... he's really going to fight Akari-chan seriously ...!?

Kyo ...

"Genbu!?"

... Huh?

Gaah!!

Ah!!

Finished?

Gah.. ugh...

This is it!!

Suiha Nanah Suiha oury- Hour- ou!! yuuj- in!!

Suiha Baku- ryuus en!!

Shiry- uu Repp- asho- u!!

He absorbed all of my water dragons!?

Wha ...!!

3...

GAA AH!!!

SHIT...!! WHY!? What am I supposed to do now...!?

Shit ...

He's strong...! I can't let this unexpected force throw me off... but I can't use my own attacks...!!

He... he turned my own attack on me...!?

Your loyalty and determination will be your undoing, Shinrei.

There is a place appropriate to every person...

Guh ...

And your place is in the palm of my hand...

So your attacks are nothing more than cheap imitations of mine...

It was I who taught you those techniques, after all...

Taihaku said the same thing ...

Wh ...

WHAT !?

But do you know why it is that I will defeat you...?

And out of gratitude for those who live for the Mibu, and die for the Mibu...

I know what should be done to weaklings who are disloyal to the Mibu... and I will dispose of you thusly.

I will take any disloyal worms that dare crawl from my grasp...

And crush them one by one!!

What was it?

Fubuki-sama!! I had a dream!!

One day, I just know I'm going to be able to use my skills to praise the glory and prosperity of the Mibu, from the bottom of my heart - just like Fubuki-sama!!

The highest master of water magic was at a party, where he put on a water show for the benefit of Aka no Ou...

Yes!!

You will need to show the Aka no Ou your utmost loyalty through your art...

From the bottom of your heart? That's good.

I thank you very much, Fubuki-sama.

But... your words now have opened my eyes...

And no matter how desparately I've tried to supress it, I think that in my heart, I've still been chasing after my dream of you...

I've wanted to be just like you ever since I was born... it was always my dream...

I...

You made me see this...

Dreams are, after all, such fleeting things...

You called your fellow Mibu comrades "worms!!" What kind of loyalty is that!?

That's something to be proud of... how so?

...Oh?

I won't forgive you...

Please, protect the children of the Mibu...

Shinrei... live, so that you may change the Mibu...

You, the leader of the Taishirou... no, you, who has been entrusted with the future of the Mibu...

For my clan, for my friends, for the dead whose spirits you have mocked...

No-one else can go where you can...

I WILL NEVER FORGIVE YOU...!!

Watch and see my true show of loyalty!!

What lies behind the open door!? A sudden, unexpected comeback!!

Shinrei... you too...?

But... how could it revert just like that...!?

What... What was he talking about? Red eyes? Previous generation ....!?

I didn't think it was possible... for you to do so...

Like Keikoku... you have achieved the reversion... you two half-brothers have mastered that which your bloodline had been praised for since time immemorial...

...Our generation...!?

...What!?

Those eyes have been called many things... "Demon Eyes"... or the "Eyes of God"... The eyes that the Mibu Clan so praised... the eyes that lead to their downfall.

Shinrei... Now, even you are poised to sieze the authority of the gods...

I did not realise that my disciple would naturally excel. I see it now... would you fight me?

I did not think I would supplicate myself before your generation...

Sounds fine to me...

Watch, and I will show you...

I will defeat you!!

The kind of display of skill you dreamed about...

"Suiryuu Banjou Heki...?"

Very well...

The true art of water...!!

GAAH!!

What amazing scale... so this is Fubuki's "Suiryuu *Banjou Heki*"... *I can't even compare myself to him...!!*

Is that my "Suiryuu Banjou Heki"...?!

And so fast...!! He controls water dragons of this size with such ease

...!!

Water, become MY dragons!!

But I can't lose... Water...

...

What!?

But how...!? The water... it's ignoring my command...!?

Shit ...!!

7

ｶｸｯ!!

WHY ARENT YOU OBEYING ME!?

Even my Bukyo kusui...

!?

The water... the water is avoiding me!?

The water... the water...

水が・・・水が・・・

吹雪に支配されているっ!?

It's all under Fubuki's control...!?

Gahh!!

He had power like that...?! Is there no way I can win...?

S... shit

What a loser...

Mizuha Nanahouryou - Dance of Destruction!!

Huh ...?

Kei-koku...

What are you doing ...?!

Just now, something really bad happened to Akari-chan... so can we please get this over with quickly?

Now that's going too far!!

So can I fight instead? (Even though I hate water...)

I'm going to defeat Fubuki! He called Taihaku and the others "worms"... It's my fault for having been blind, for having looked up to him as my master until now... I have to throw away my past...

So I must fight him...!!

You said you were going to beat Fubuki on your own... do you know how much you piss me off...?

Isn't that kind of impossible ...?

Taihaku is dead, that's a fact. You were blind and stupid, that's a fact. Fubuki is a bad guy, that's a fact. But..

What ...?

But isn't it also a fact that you've been chasing after that guy with all your heart for so long, you don't even have any strength left?

I think... you can't keep denying the truth anymore.

Don't continue this facade...

I can't do it...!! Fubuki... is nothing more than a sham... And I... will never be anything more...!!

STOP IT!!

Someday, I'm going to show my loyalty through my art, just like Fubuki-sama...

Fubuki-sama...!!

You're BOOORING. I'm outta here.

What?!

Nothing has changed since you fought me and Kyo. (Shinrei, you're making a scary face)

You... you bastard!! What do you think I am...?!

You're boring because you always want to do everything alone... You've gotta get this stuff with Fubuki sorted out...

See you later, I'm gonna go fight Fubuki now.

...Keikoku.

I think I get it now... what you call true "strength" ...

Because we're brothers!!

Until you've fought with your life on the line, just wanting to win isn't enough

...One more try. Please, let me do this.

...Anyway, our chances are less than half... unless you think they're even worse? We might actually die.

And your point is?

Shut the hell up!!

It's just... you never say "please" to me! ...What happened to your pride?

You don't have to look so surprised!!

Me...?

No way...

You... you're the one I can't ask for help!!

How stupid ...

Good... I'll finish this even faster.

Those two who couldn't win alone... are fighting as brothers...?

I'm still fighting you on my own! I'm not out of power yet!

And I'm going to show you my new strength!!

It's you who's changed! You're unfit to protect the Mibu...!!

...You've changed, Shinrei. You're even more self-centered than you used to be.

And what would you know other than what I have taught you?

I completely control water. There's no way you can overpower my control.

Well then...

Let's see you face my power!!

15

Did you not yourself say he was "boring?"

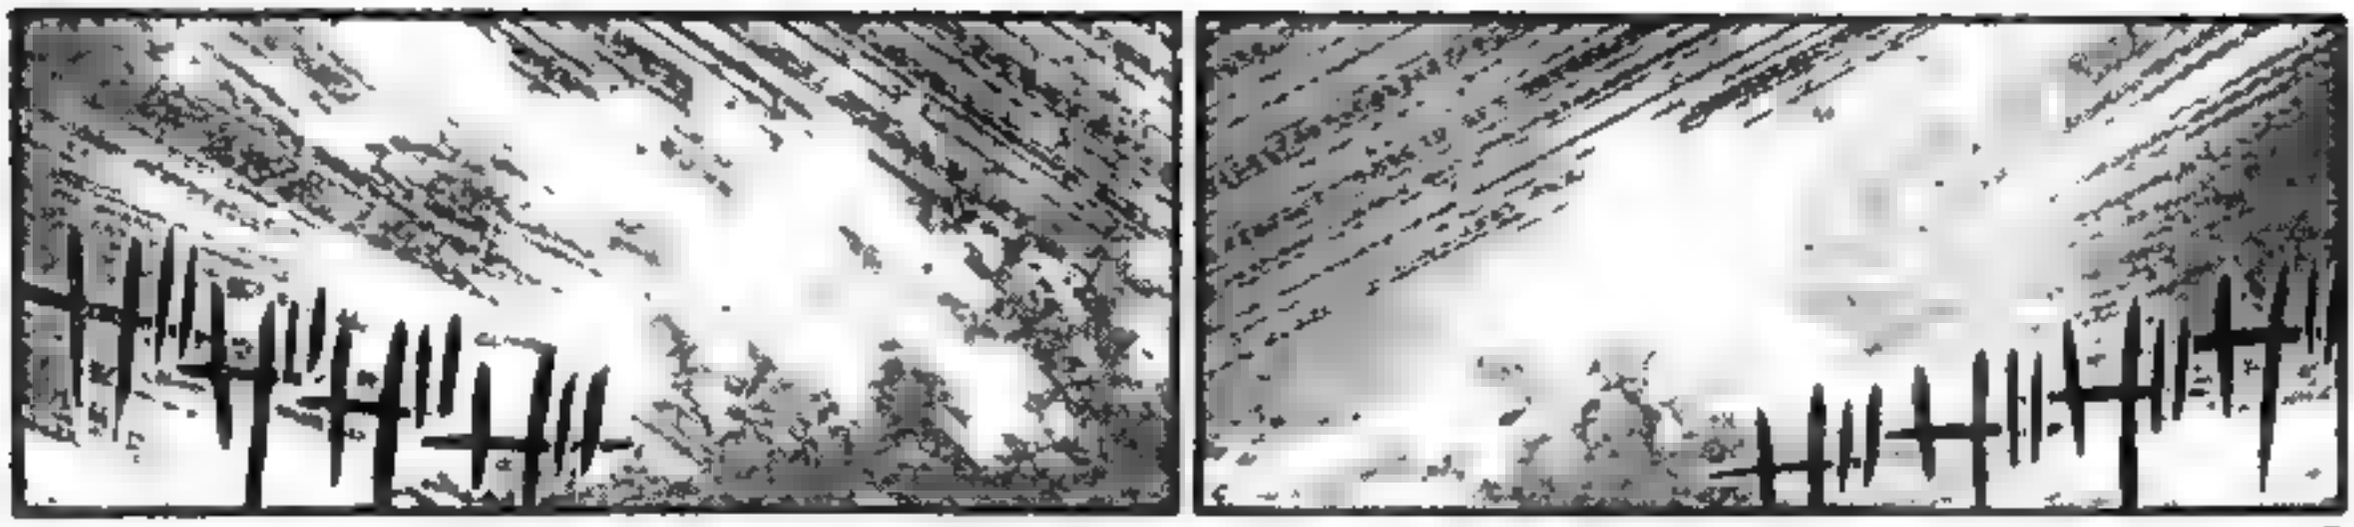
Your final wish is to become my target?

Keikoku Kien?

GAAAA AAAAA AAAAA AHHHH !!!!

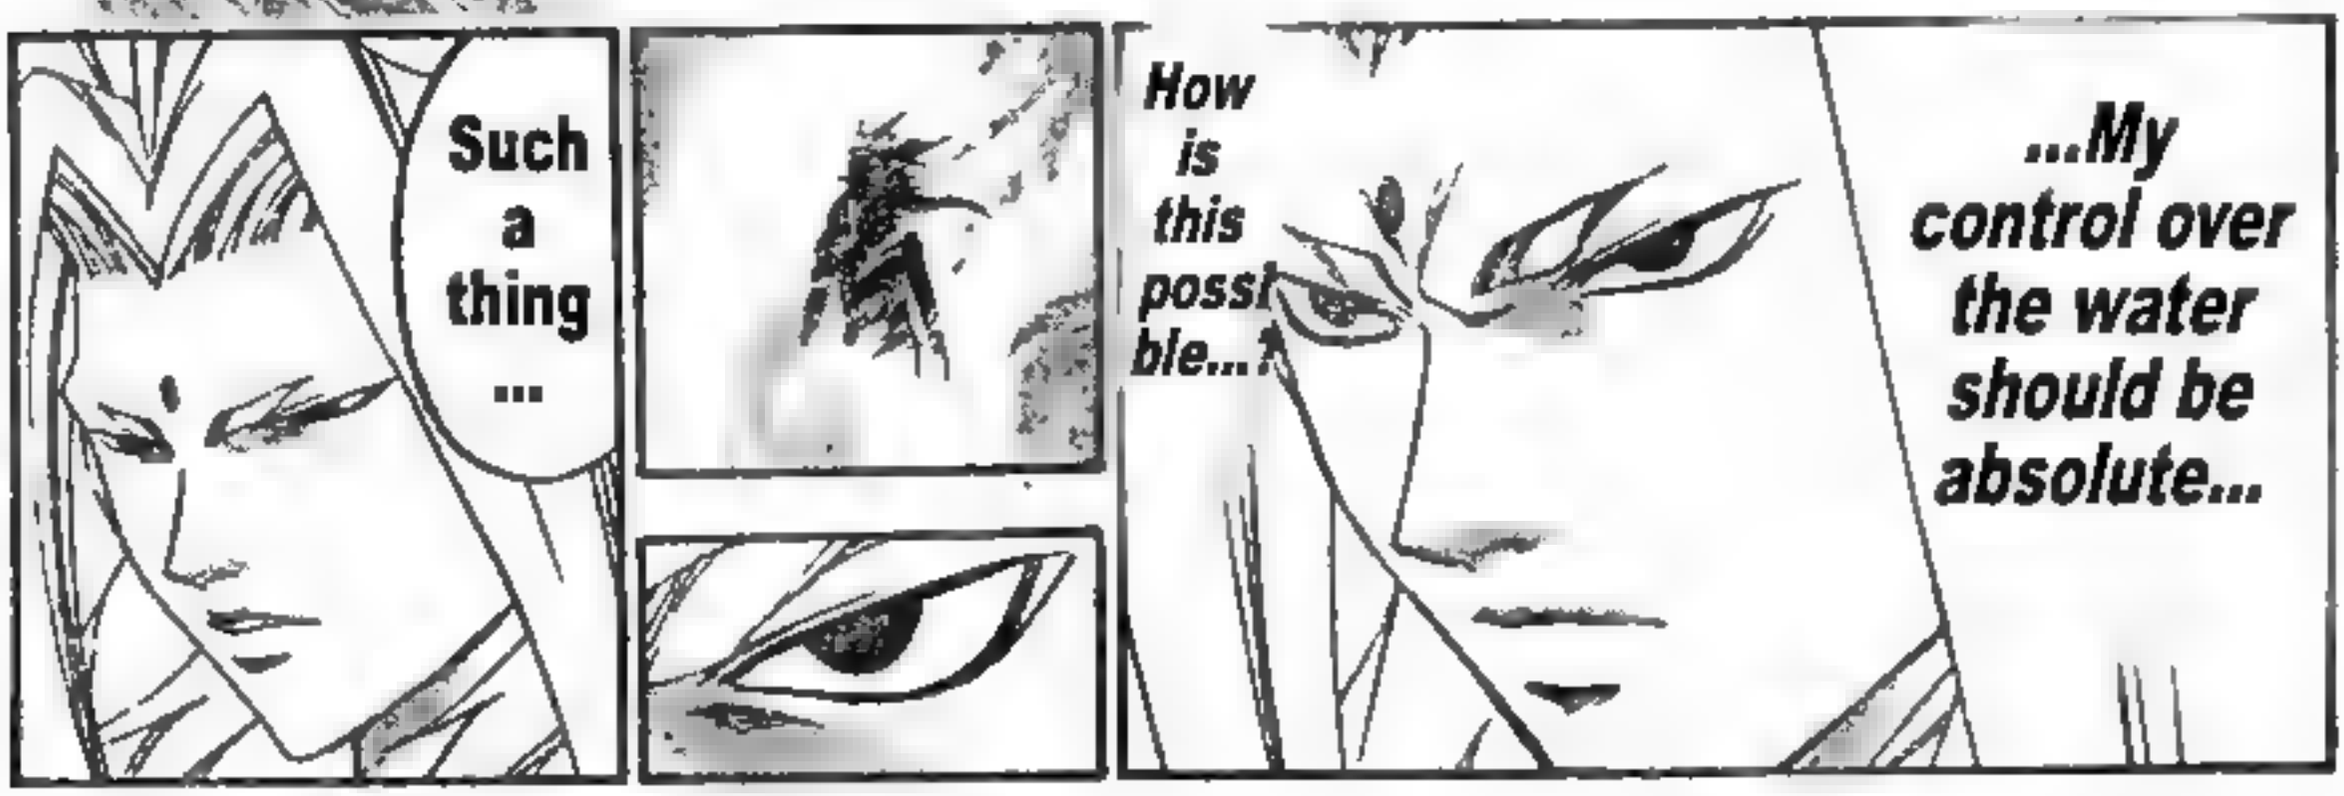
How stupid... Did really you giving fire to Shinrei could defeat my water dragons?

And did you think that not only would your flames fail to destroy my dragons, but would burn Shinrei to death?



17

He's sucking in the water...
水が炎へと
集まっていく
!?
To his fire...!?



Such a thing ...
How is this possible...!
...My control over the water should be absolute...

Flame blood markings...!!

炬血化粧!!

When I become Keikoku Kien, the flames that start to burn my blood spread through me to create a blood curse seal...When the opponent warrants it, I develop the markings.

It makes sense that a water user would be weak to fire techniques, but...

Normally, the flames would burn him from within, but Shinrei and I have half of the same blood, so hopefully he'll be able to bear it and put all of our energy into bringing out more power and speed.

I want Shinrei to win, so I'm going to believe in him and give it my all!

The same blood, the same strength that I have flows through half of him... I'd give my own life...

I suppose it must have been quite the task bringing you two together ...?

You two have always hated eachother, like the proverbial fire and water...

Whichever is fine with me ...?

I'll show him unrestrained power he's never seen...

Now it's my turn!

THIS IS IT!!

FUBUKI...

A new power becomes a blinding light!! Is there any means of escape!?

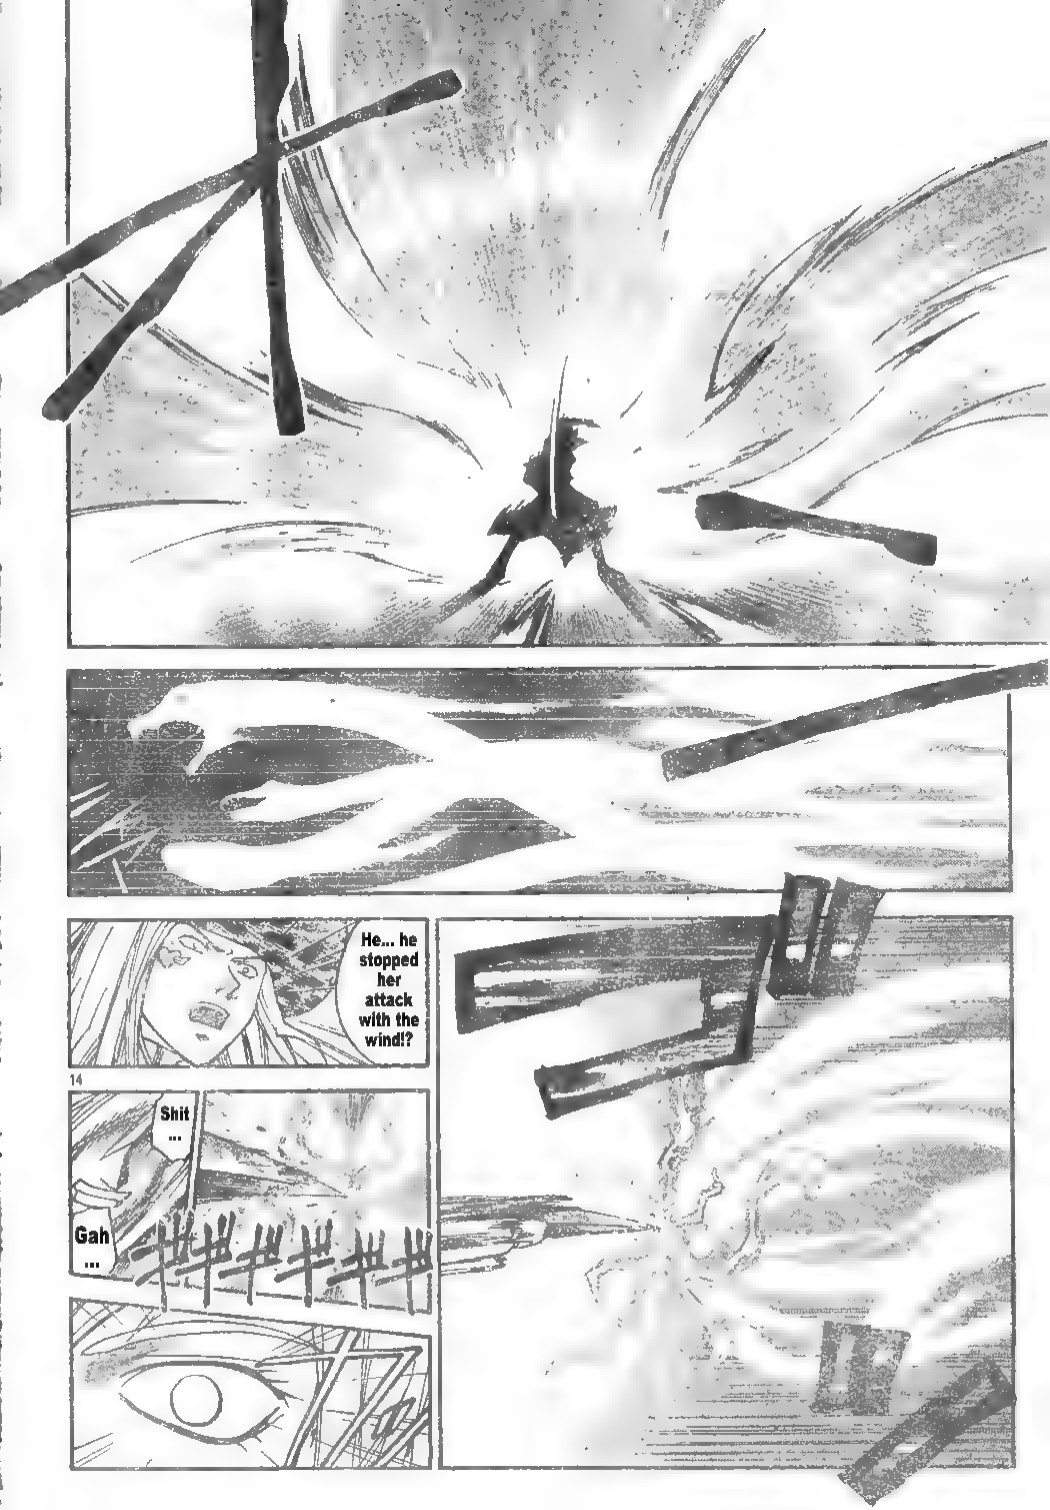
Huh? Enbodiment of a beast...? That all sounds kinda hokey, don't you have a real explanation?
It's a secret!
さっぱり
I suppose you could say that the Mumyou Jinpuu Ryuu Ougi "Genbu" is the embodiment of that beast.
Ah, swordsmith-sama, "Genbu" is a sacred beast symbolised by both the tortise and the entwining snakes...
"Genbu" ...
He's willing to use the Mumyou Jinpuu Ryuu Ougi "Genbu"... That Kyo... has he turned his back on Nee-chan? It feels like he's really ready to kill her...
Kyo ...

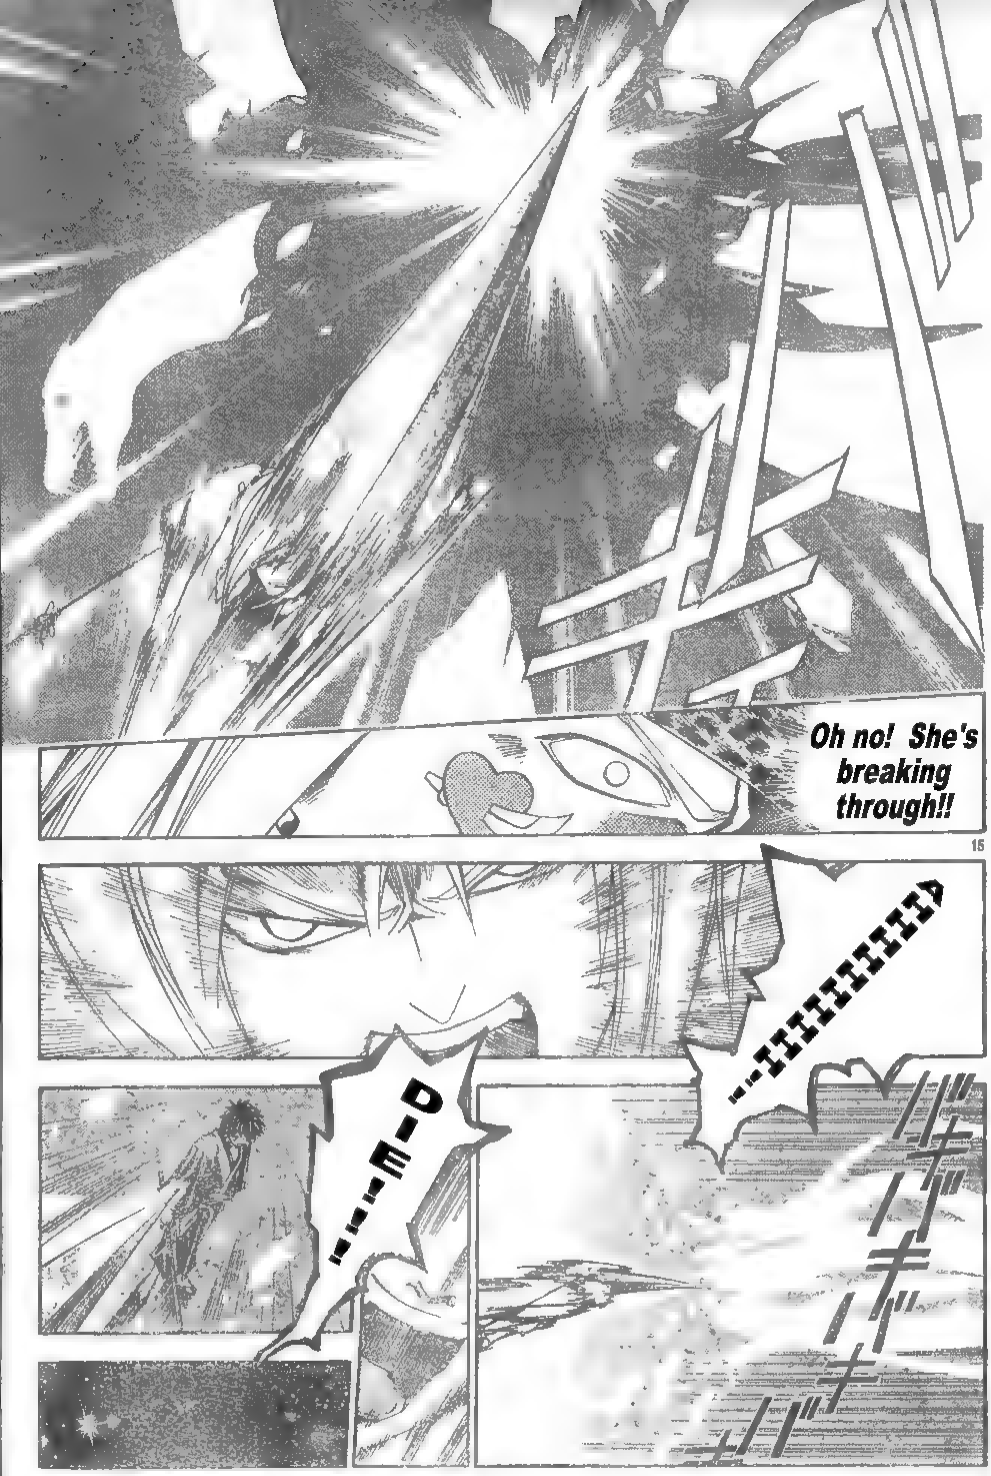
what...?
Ah, but if I tell you, you'll just go spilling the secret to your wife so she'll think better of you!
Yeah, yeah, I get it. That Jinpuu Ryuu stuff is practically sacred, so I know you can't tell me.
But don't you know that to use the best techniques, you've got to have the best sword to go with them?! So, what kind of attack is this "Genbu" thing?
Muramasa, you bastard!! You used your Satori and read my mind!!
...It's painfully obvious...
Do you think I need Satori to see something like that?
In short, the "Genbu" technique is...
Won't you be coming to me later saying "I forgot, tell me again?"
But swordsmith-san, you always forget important things as soon as you've heard them...
Damn you, Muramasa !! Tell me again!!
...I forgot!! (And at the worst possible time...)

Nee-chan ...!!
No way... has that "Medusa Eye" already eaten her soul...!?
12
I, Ashura ...
Will kill you...
Core High Crusher!!

Mumyou Jinpuu Ryuu Ougi "Genbu"...
Wh... what !?
What amazing speed! Kyo must be planning to dodge that...
WHAT?! KYO, YOU IDIOT! MOVE... !!



He... he stopped her attack with the wind!?
Shit ...
Gah ...



Oh no! She's breaking through!!
15

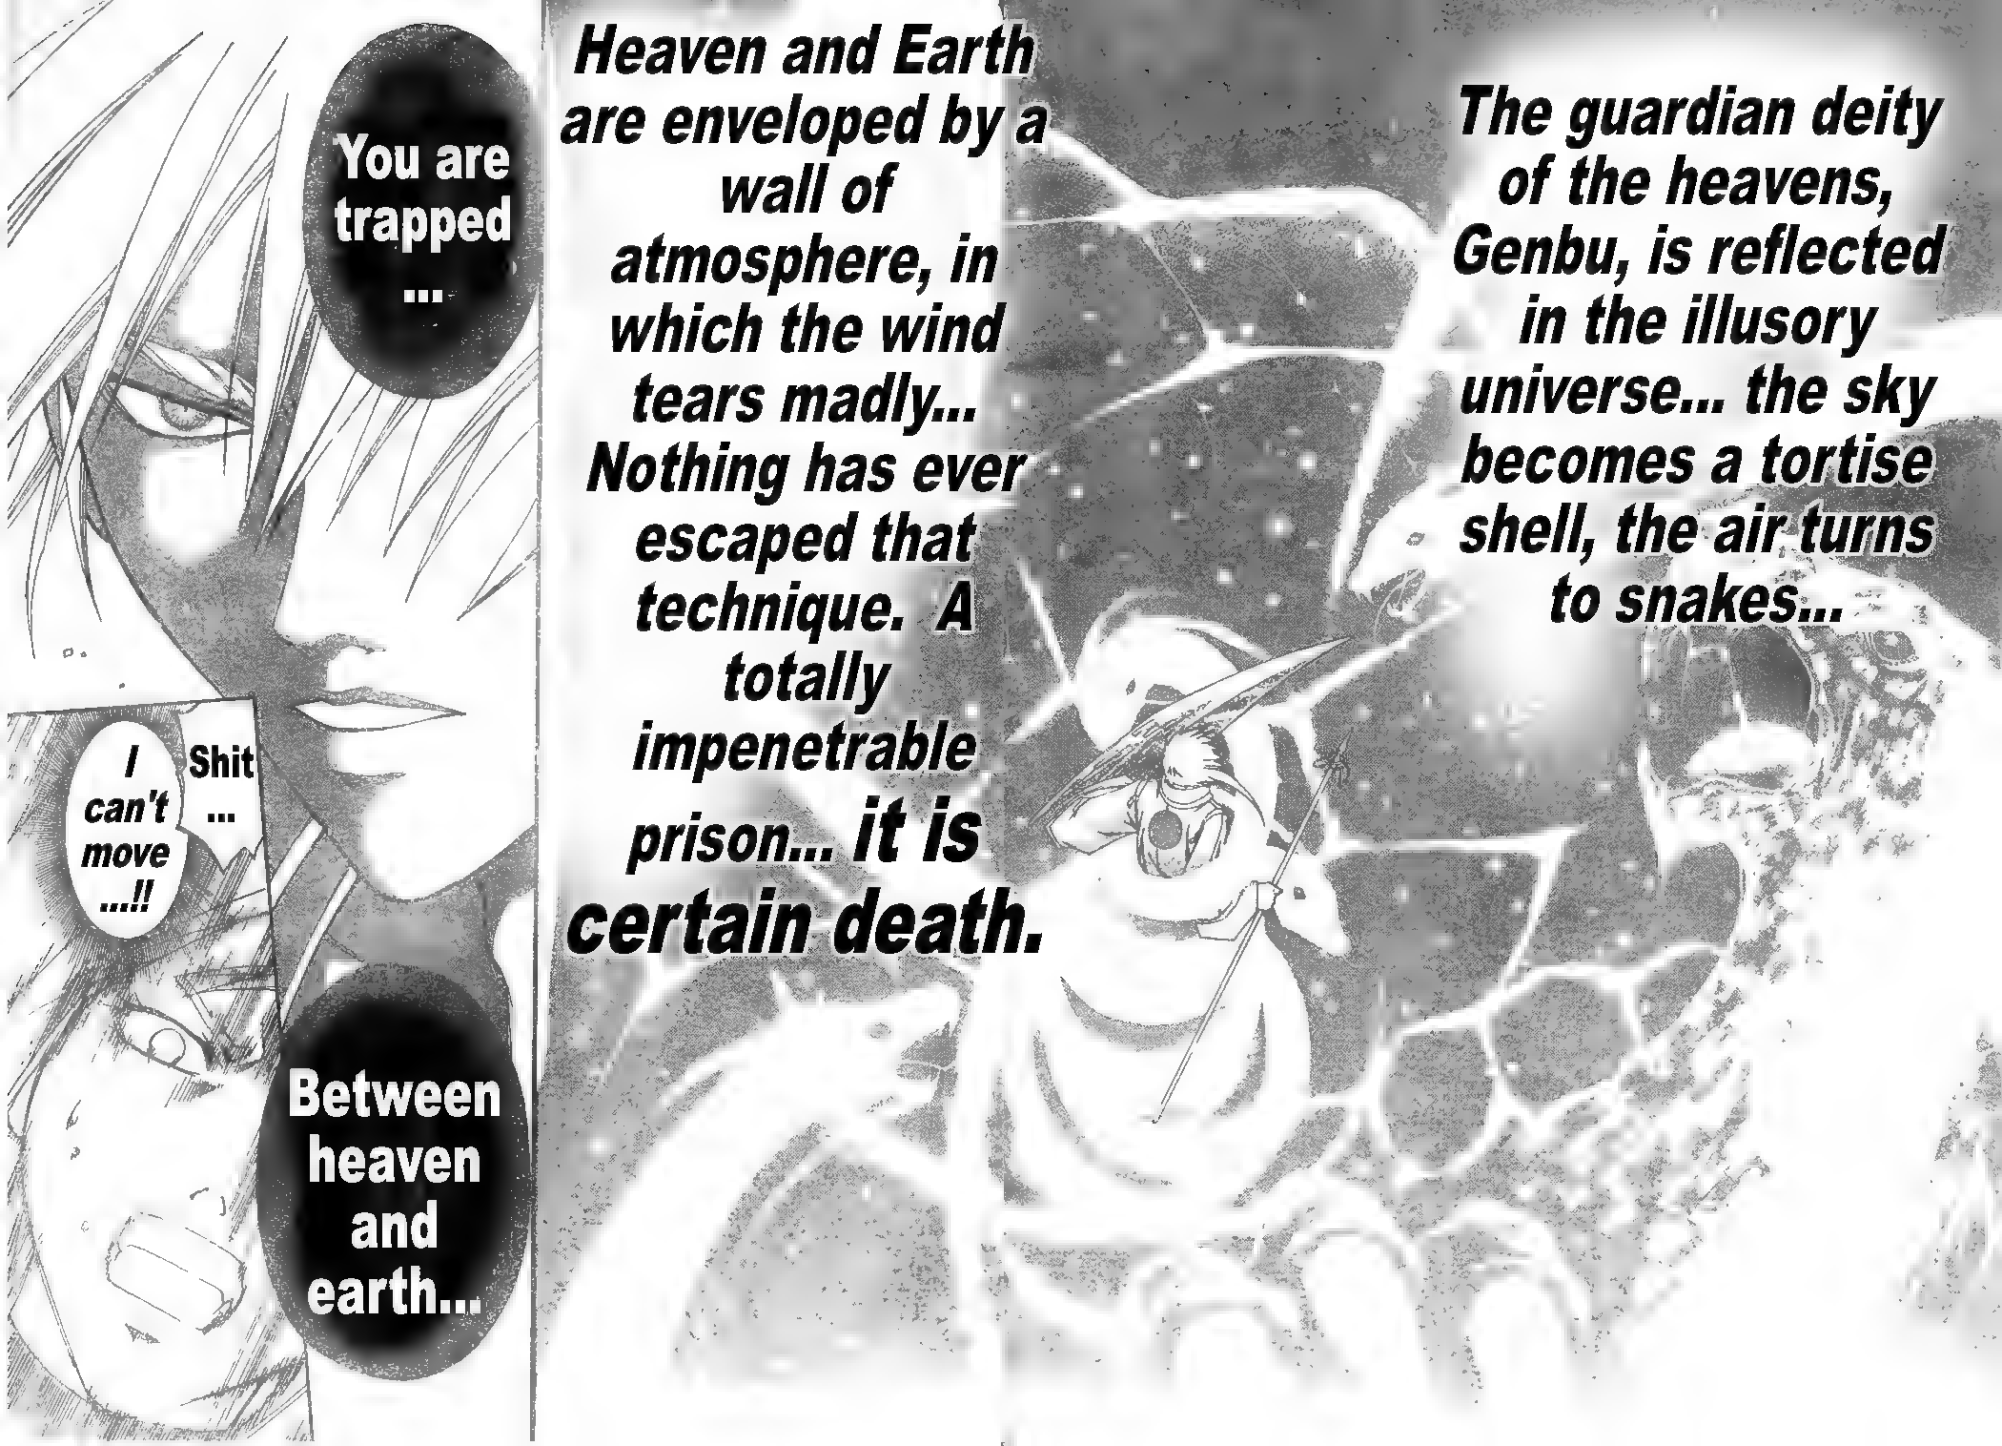
バギバギバギ

He lowered the wall of wind!? But why...!?
!?

No... Let me go...!!
It feels like this wind is going to tear me to pieces...
Snakes...!? I can't move - I'm bound and tangled by demon whirlwind snakes!?
What ...!?
What happened to the sky...!?
17
I remember...
Swordsmith -san... "Genbu" is...
A technique that returns the universe to nothingness ...
This isn't "Genbu"... that's supposed to be a sacred tortise or snake...
The sky, too!? What was it he said...!?



You are trapped ...
I can't move ...!!
Shit ...
Between heaven and earth...
Heaven and Earth are enveloped by a wall of atmosphere, in which the wind tears madly... Nothing has ever escaped that technique. A totally impenetrable prison... it is certain death.
The guardian deity of the heavens, Genbu, is reflected in the illusory universe... the sky becomes a tortise shell, the air turns to snakes...

With the annihilation of Akari, is this the end of the Shiseiten!?

EDITOR'S NOTES Ch 269

Oh, hey everyone, Editor CatMarieS here. This won't happen often, but I have a few notes on this scanslation.

Anytime Shinrei is shouting in this chapter, in the original Japanese he was shouting "OOOOOOOOU!!". Well, I says to myself, "self, that looks a little funny." so I changed it to the English equivalent of "grrrr."

Oh, and these panels? I totally made up the dialouge based on Sanada's notes.

And here I came dangerously close to putting, "Snakes! Why did it have to be snakes!"

Maybe I should have...?

See you next time, everybody!

My dream... is to be with those people I call my friends...
We don't want you around here, Toukichirou!
Go away, you monster!
It will be okay. I'm your friend, now. As proof, I'll give you a special name - #13.
Mitarai Toukichirou... if you want to rise above those people, come with me and join the Mibu...
No matter what happens... Hishigi will always be my dearest friend... this will always be my home...
I want you to use your abilities to serve the Mibu, and hone that sword arm of yours into a weapon. I am your friend, #13...
And there is one more gift I would like to bestow upon you.
#13... You are my dear friend... and now I would like for you to be the captain of my guard.
UWAAAAHHH!!
SAMURAI DEEPER KYO

What...?! So our friendship was a lie!?
...I'm not that kind of person.
Stop screwing around...!! I'll use "Reject" on it!!
With this "Eye", you are now my most important weapon.
It's no use... I did not give you the "Medusa Eye" out of affection...
No matter where you go, the "Medusa Eye" will watch and report back to me.
#13, I have come to understand that you are my truest friend... the "Medusa Eye" is my way of ensuring that we stay good friends.
#13... no, my "Ashura" ...
have done this precisely because you are my friend.
And don't call me by that name!!
No... don't say things if they're not in your heart!!
And I realised I would become a monster...
When it happened my eyes were opened...
This wasn't the dream I had been wishing for...

I am Ashura... I am the most terrible of all demons. The "Medusa Eye" will consume my body and my soul... It is my fate.

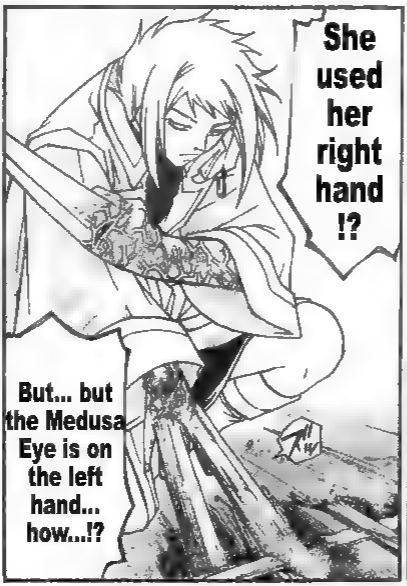
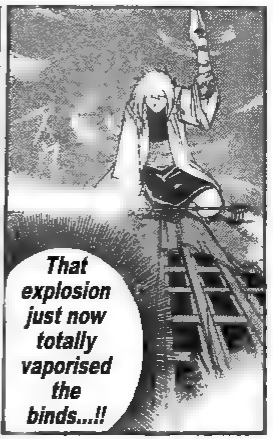
What?!



She used her right hand !?
But... but the Medusa Eye is on the left hand... how...!?

KYO!!

But how could Nee-chan attack in that state!



That explosion just now totally vaporised the binds...!!

Oh shit ...
Oh ...

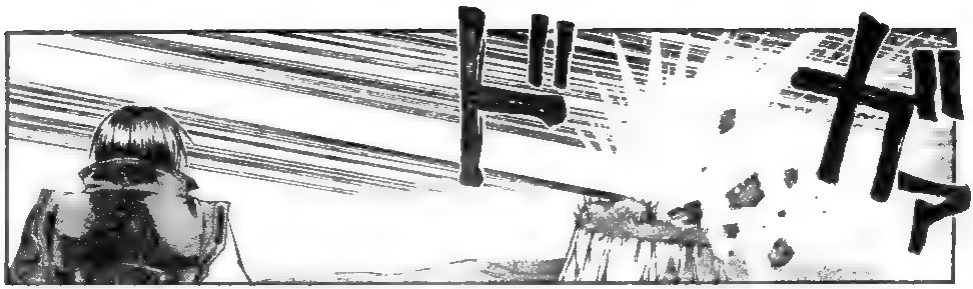
The Medusa Eye is starting to take over Nee-chan's entire body!?
Shit ....
Wha... what!?
I want to be together, always..
Nee-chan ....
Did she just give up!?
Soon... my transformation into Ashura will be complete.
This... is the final sign that my body and soul have started to be eaten by the "Medusa Eye"...
Now... all of you weak creatures ...
Celebrate the opening of my eye...!!

Yo,
Hishigi...

We're pretty much even...

Yeah!
Alright, Mr. Cheerful, you had better brace yourself and get a good grip on the dirt...
Sounds fun... I've got no regrets. And I'm going to show you something cool.
Interesting choice of name for a sword... shall I show your "White Night" what total darkness is?

I have no desire to waste any more time playing games with you.
... Alright?
You think I carry my precious baby Hakuya-dono just because I look cool with a sword?
You still harping on that, Hishigi?
Why wait until now to boast of you "amazing sword skills?"
Yuan... why did you hide your skill with a sword?



Tch ...!!
Gah ....

Damn it, Kyo! Where the hell did you come flying from, anyway...?
Yuan, you're a dork~~!
Huh?
Tch...!?" That's all you can say after totally wrecking a guy's super-cool attack!?

Die ...

Akari ...
That "Medusa Eye" didn't open, did it...!?
Wh...whoa ... Kyo... this is bad...
Shall I tell you a simple way to defeat the "Medusa Eye?"
Just make #13 look directly into the opened eye.
Then it is #13 who would be turned to ash. Deprived of its source of noourishment, wouldn't the Medusa Eye cease to function and disappear?
11
And your point is...?
Akari-chan is your friend, right? Don't fuck around!! (And isn't she the captain of your soldiers, too!?)
You goddamned idiot!! If we do what you said, Akari-chan would die, wouldn't she!?
I see... but...

Huh? (What kind of reasoning is that?)
...That's just how it is.
Have you... ever lost someone important to you?
Friendship? I created Ashura for one thing only... and if you do manage to kill it... well, frankly, I don't think you can.
I have created many lives, and I have taken many lives. #13's life does not especially concern me.
If #13 dies here, I don't particularly care.
12
Hishigi!! You asshole...
Don't fuck with me...

Akari is MY servant ...
Nobody but me gets to talk to him like that!!
So ...
So you are friends, after all... such a high level of emotion from you... I suppose it's the emotional entanglements that bind us that make us unsuitable candidates for Aka no Ou...
13
Perhaps you would like to die by the hand of your own "servant?"
Gah ...!!

Does that thing finally have control of Akari-chan's soul...!?
Houriki? But that's Akari-chan 's technique! ?
Hishigi-sama is my master... and you are Hishigi-sama's enemy. I must suck the life of Hishigi-sama's enemies with my "Air Vamp."
14
He's going to face Akari-chan !?
Huh ...!?

DIE!!
Whoa... Kyo...

WHY AREN'T YOU FIGHTING BACK!?
EEE
DIE

You are really starting to PISS ME OFF!!
Why did you give up, Akari...?
What did that "Eye" do to you!?
We never said it, but you're my friend, damn it!

...My... dream...

If only...
If only there was someone who could forgive my selfishness and my vanity...
If only there was someone who would just laugh it away when I did something stupid...
If only there were someone strong enough to withstand even sadness..
Dreams are so fleeting... If I were to open my eyes aonce more, would I still miss my dream again...?
That... is what I always believed...
I don't give a damn if you're a "monster" or not!!
But ...
You're being so weird about this that I think they're changing right now!
How can you be so sure that your feelings won't change!?
And what if I really am a monster!? Would you still stay with me!?

Kyo... I'm sorry...
You're the same as you've always been...
Even though you knew the truth about me, you haven't changed one bit from the first time we met...

I know I'm awake, but this still feels like a dream...

Kyo ?!
Huh?
What are you saying, Kyo...?
What the fuck is this "fleeting dream" shit? Screw that.
...Shut up, Akari. What's with your lame-ass dream?

If your dream is the be with us.... then stop dreaming. Take control and make it real.
But don't stop believing in your own dreams, Akari...
Y...
That's right...
Yeah !!

I can still hope and dream ...
Haha, so that's how it is...
Kyo! You're the best!
(I'm falling in love all over again~)
I can still ...
Oh yeah - Julian, Yuan, I've still got to start healing your wounds, too!
ARE YOU SURE I SAID THAT?
Now what about my dream of getting married to Kyo...
Still asshiro even after that big speech...
They really are interesting people...
Friends, huh?
He's an asshole, he's antisocial, he's reckless, he's sentimental, and he's totally human... what a screwed up guy... (No wonder Keikoku hangs out with him)
This is high praise.
Damn it, I think Onime no Kyo is even freakier than that Former Aka no Ou Guy...

AKARI!!
I'm sure they must hurt... I'm really, really sorry...

(ugh
...
uh
...
KYO
!?
He was protecting me...
KYO
!!!
No
...
So fast... so strong... I can barely move...
Guh
...

A sword that moves with the speed of light cutting through darkness... "Hakuya" ...
That is a frightening man... with frightening power...
I don't know how he does it... such perfect destructive force...
Hishigi ...
15
...You've become expendable, #13. And disposing of you is so troublesome...
"Air Vamp !!"
YOU BAST-ARD !!!

It didn't work !?
What!?
ごごごご
16
There's no need to worry, #13...
You won't suffer much...
He's going to attack again...!!
Shit !!

Yuan
?!

...I don't think so...
Yeah!!
ゴ!!!

That's one of Hotaru's instant death attacks... and Yuan does it so easily ...?!
"Demon's Breath" !?
Oy, Hishigi... I don't think you quite get it...
Your opponent is ME. You keep rushing around like you've got better places to be, and you're bound to get sloppy.
Combining hand-to-hand combat with an original sword style and fire techniques... not bad.

But now ...
I'm gonna be honest with you. Whethere it's you guys or Kyo and his buddies that win, I didn't much care.
And until now, I didn't really feel like using my real power...
Hey, Hishigi... I just want the Mibu secret and revenge for my mama.

Our meeting was unexpected ...
Now, it's different ...
Deepening despair!! Fading hope!! Will they find a blind hope!?
But I'm beginning to realize my course of action...
Now, I'm *really* pissed off...

But right now is the best time to ensure that Fubuki gets a direct hit...

That's the strongest fobidden technique of the water Gouyousei! If you're thinking what I think you're thinking... you want to kill yourself and Fubuki together!

You idiot! You want to die...!?

I see ...

You don't even have the strength left for a final scream...

You have failed !!!

It's a shame... you will have to make do with the whispers of the insects that feed on you and the sound of my voice...

Shinrei... for your final performance, we really need appropriate musical accompaniment ... don't you think?

This is the final curtain !!

And as for your little side show...

While Shinrei was still standing, I couldn't help him...

(HE SAID NOT TO HELP, THAT PAIN IN THE ASS...)

So you want another act?

...

I'm enough to take care of you... I really hate water, so I'm going to use my fire to dry you out...

I see... you intend to aid your brother this way...? I suppose the two of you must see some strategy that is far beyond me...?

I can't ...make fire ...!?

!?

Fog ...?

By now, you probably can't control fire at all in this fog... If you had any thoughts of taking up your brother's battle, then perhaps you would like to reconsider?

What kind of fog is this...? It's so thick and heavy... it's like I'm underwater... is that why I can't use my flames!?

What ...

Shall I show you...?

Or would you rather dance with me, Keikoku, stripped of your flames?

Take that!!

...A monster?

You're just some damed ghost...

Wait, these come off!

The True Mibu Clan bears the true red eyes.

That's too bad... the real demon is in the eyes, not the horns, you know.

Pretty cool, huh? I've been waiting forever to meet you for real, so I though I'd surprise you a litte~

Hmm? There's something missing from your eyes now...

I suppose I was worried, because you're so weak.

True red eyes ...?

What do I want? I'm still thinking about that-

...What the hell do you want with me? You used to be Tenrou, you've been spying on me, and now you drag me to this fucked-up place. What do you want?

Quit it...

Bast-ard!!

I'm going to show you how weak you are... even weaker, in fact, because Mibe Kyoushirou's body has been infected with disease!!

And you're so tough that you won't listen to me, no matter how I worry... well, no one escapes me with strength alone~!!

Why bother, when you can't move it, Kyo...?

Why?

...
What!?
Look, Kyo ...
And you, Kyo, you have it inside you as well... you've only awakened a fraction of it thus far.
This is not even the full strength of the Mibu ...
Ugh
These are the glory days of the Mibu Clan! Our Clan held absolute power in the palm of its hand...
Money... beauty... abundance... pepetual youth and immor-tality ...!!
Even the power to create life...

It was a masscre...

You might not feel it now, but hasn't the sleeping blood within you always hungered to be free?

Kyo....

So what? It has nothing to do with me.

This is the story of the Mibu Clan...

Can't you feel it? The problem with having absolute power? When you have everything you want, you don't have anything to strive for anymore, do you...?

!?

Limitless power and immortality proved to be too much for the Mibu Clan. And there could only be one survivor...

What the fuck ...?

They are of the Mibu Clan, and yet not of the Mibu Clan

They began to kill their own families.

And in the end, the Mibu were destroyed, only a handful left alive.

.....

They are...

Destroyed...? What kind of crap is that? In my time, there's loads of Mibu bastards.

くっ……!!

What's wrong?

Y...

Yuan ...!!

Finished already, Yuan...?

These are traitorous words...

Why... why did it have to be like this... my mom... she said... she said she trusted you... so... why...?

...Don't worry, Yuan... you won't die alone...

Gah

You... you... you...

Your friends will die with you... and soon after, your family will join you...

YOU BAST-ARD!!

You...

Good-bye.

!!

Well, Yuan, it looks like we won't be fighting together much longer...

STOP!!

No...

Julian

Needles...?

I made these swords... But I don't just create swords...

I've been waiting for this chance...

I can kill them, too...!!

The swords... they broke...!!

What ...?

Impressive show of effort...

You're the stupid one, stupid Dad!!

I... I've been saving this one ...

I can't help you again, stupid kid...

aagh ...

But to win just with that... is a little idealistic.

There is no place for idealism ...

Ya... sh...

Y... Yuan!?

They're coming back to life ...!?

I can ressurect these dead swords...

Even from fragments ...

Have you forgotten? I am a necro-mancer...

ズ ズ ズ

The... the swords...

Now all that remains is to erase Onime no Kyo from this world...

You won't ...

You won't lay a hand on Kyo!!

What we've got... it's something unbreakable, ain't it?

Damn it, you've got me, you've got friends, that's enough!

No matter how many times I tell you people down, you just keep getting in my way... what shall I do about you...?

...Don't be ridiculous.

Then you can die together ...

Kyo saved my life... don't tell me what to do with it!!

Huh?
I hate you.
H... Hotaru! With your body like that, how can you even move...?
...It's that bastard again...
H...
Ho-taru ...!!
I hate you...
No, I really...
And now you want to kill Akari-chan and Kyo, two people who are really important to me...
Then Yun-yun and his dad...
...I really believed in Shanrei, but that's not all you took from me...
You killed Taihaku, who was the most important person in the tribe for me...

Red eyes...!!

紅き眼!!

I REA-LLY hate you!!

I killed Ian by my own hand.

Hi... Hisagi... It...It can't be...

...I suppose there's no rush to turn to ash.

Ordinarily, you'd have turned to stone and I'd be rid of you by now... I suppose since you're a Tsukuroi, you think you're going to wake up?

Don't worry, Julian... Before you and your son leave this world together, there's something I want to tell you...

You're just as foolish and traitorous against the former Aka no Ou as your mother, Ian, was... Just bad blood, hmm?

I have never had any desire to see beyond the doors that hide the Great Secret of the Mibu...

You... you bastard....

Damn that Mibu Kyoushirou...!! You believed in him, and he betrayed you...!!

Yes, I'm fine, thanks to the two of you... and Yukimura-sama...

Yuki-mura-sama!!

But... but...

Mibu Kyoushirou did all that just to keep us away from the Former Aka no Ou!?

With the power Kyoushirou-san has now, he could have cut me right in half...

This cut bleeds a lot, but it's pretty shallow... he could have wounded me a lot worse than this...

She...she can't be, she's still up there...

Oh well, it's doesn't matter anyhow. You're all still going to die. But first, why don't you hand over Sakuya-han?

I don't know what Kyoushirou was thinking by saving you... but I'll be sure to let the Former Aka no Ou know~

Hey... what are you doing here...?

Sasuke!! Are you okay!?

...

Sasuke ...!?

Well, what have we here... It's the little lab rat~ You're looking well~ I guess you've seen Nishigi's reports, huh?

So, did you put it all together and figure out the Mibu's secret plans yet?

Sasuke's got the plans?

Huh?

That's enough, Chinmei ...

S... Sasuke !!

Just what kind of monsters they are...

Yeah, I get it now...

Are you... in pain...!?

Those created by the Mibu Clan have been imprinted, so they are incapable of rising up against their creators.

The Mibu Clan... they intend to play around with people's lives...

All of your soldiers... your failed experiments... your little scientific freak show... even some of your scientists... all dead...

We are failures... we won't even live ten years...

That was what our creator, Hishigi-sama, decided, and so it was done.

We're begging you!! Be our friend... be our hero!

Most of us won't even survive ten years...

Promise me... that you will protect Yukimura-sama from the Mibu...

Sasuke... I believe in you... Even if my body turns to dust, I'll always be by your side... I promise...

What the Mibu Clan is all about...

I think I understand ...

It's death, isn't it ...?

Are you listening to me?! Did I figure you out?!

We cannot be defeated... We live for the sake of the Mibu Clan...

Finally, the door opens revealing the Mibu's secrets..."

Those two... they have red eyes, too...!!

...Don't fuck around ...

Me, mom, the other Mibu, those kids you made in the lab... and you just kill us...?!

Bastards ... we've all got the eyes.

You removed your mask... It's time I did, too...

The red eyes... very well, they can know the truth before they die.

Those red eyes are sacred, but they're also taboo... and we get treated like shit. There are people out there who don't even know the truth hidden inside them...

It's too late, there's no going back...

Fubuki ...!?

All for the sake of the Mibu...

... What !?

7

I cannot forgive any of you, but I can send you to your death with eloquent words. This is my parting gift to you.

We Taishirou rule the Mibu in the name of our Aka no Ou, but we are not of them.

We are Mibu, and yet we are not.

★この物語はフィクションです。実在の人物、団体名等とは関係ありません。

The M.bu Clan that exists now is the M.bu Clan, but it's not the M.bu Clan?

I don't get it. What are you trying to say?

And then it came to us...

and we turned on our own kind. It was a horrific massacre—and the few survivors were left with nearly nothing

The True M.bu Clan had money, beauty, abundance, power and eternal life in their hands.

We could use those we had created ...

Our beautiful streets had turned into battlegrounds ...

Before long, the True M.bu Clan was concerned with nothing but war.

There were those who said that yes. But the battles were growing increasingly more violent

... They wouldn't ....

Red eyes just like...?!

Yes ....

The red eyes of your time...

Those eyes, much like your own that still lie dormant, are a mere imitation of the true eyes.

After the long war was over... we began to wonder if we had gone down the wrong path.

There were so few of us True Mibu, and so many of the "battle dolls" crudely mimicing our red eyes...

You see ...

It came to where the "battle dolls" forgot what they had once been...

...In time, they turned on us too. The True Mibu Clan was driven to the very brink of extinction, and the truth was swept away.

Some called them mere "battle dolls", but this was not the case. They were exquisitely crafted creatures.

To ensure that the creatures made by the Mibu would not turn on their creators, they imprinted them to show absolute loyalty.

Stronger... More beautiful... longer lasting... Each one of them bearing amazzing power. We even gave them red eyes just like our own...

Those who now call themselves Mibu are nothing more than the creatures we created on a whim, no better than their own failed experiments...

They are merely the descendants of the "battle dolls" created by the True Mibu Clan.

The ...

The Mibu Clan ...

No ...

That's not... true...

S... Shinrei !!

Is just an experiment ...?

That... that's a lie...!! We Mibu are gods...!!

We have the power to rule over all living things... we bear the power of the gods! Only we are capable of ruling over all creations...!!

I can't believe that... I won't believe that!!

And you say we're not better than... than those failed experients...!? Were no different than ... than the monsters we've made!?

For a long time... I've thought something was wrong with us...

Whenever normal people or animals die, they leave a corpse behind.

But when one of the Mibu's soldiers, or a failed experiment, or any other Mibu Clan member dies, they turn to dust and disappear... there's nothing left.

Nothing at all...

Almost like there was nothing there to begin with ...

H...

Ho-taru ....

It's all true.

These imitation red eyes are proof that we, the former generation, are merely the descendents of those "battle dolls".

I have decided to see the truth.

If we are nothing more than illusions... then I must protect this clan...

What-ever I must do...

What-ever I must cast aside...

I see your heart is frozen as well...

It doesn't matter who I have to kill...

THAT'S NOT TRUE !!!!

No...

That's a lie...

The Mibu have always lived as phantoms... and one day they will disappear from this world...

Why couldn't I make it to the Red Tower...!? What kind of place is that underground maze...!?

What? The Mibu Clan and their experiments are the same?

According to this, the red eyes of the previous generation and those of the mutants are identical...

Are the same...

No...

The Mibu Clan and their experiments...

If all we are is an illusion... then there is no other way to live!!

It doesn't matter who I have to break ...!!

With these hands, I will protect the Mibu Empire... I will protect the future of our people!!

And even if I must become a demom to protect the glory and prosperity of our clan...

F... Fubuki ....

You know now, so you can die!!

The eyes of the one who bears the name Aka no Ou are genuine!!

Kyoushirou ...

What a nice view... From up here, you can see everything! This will all be yours, you know.

...

You can see the garden near here, where Fubuki, Hishigi, Yuan, Keikoku and Shinrei are all fighting! You really ought to look!

Ah, that's enough reading. It makes my eyes tired, you know ...

...Former Aka no Ou... what is it that you're reading? It seems to be a very interesting book...

Kyo... everybody... please be okay ...!!

And where are Sasuke-kun and everyone...? And Akira-san and Tora.... and Bontenmaru-san...?

What is he saying...!? Those two Taishirou guys and Shinrei-san and everybody!? I don't think I'd want to watch a fight like that...

For this day to come ...

And I've been waiting a long time ...

Sanada: he's reading the analects of Confucious of course...

I certainly don't feel that the end is near for the Mibu Clan ...

... Huh!?

Just look, Kyoushirou... They just don't make them like they used to~ I was getting a little bored with the fighting, but now it's quite apparent that the red eyes of the previous generation are rather a marvellous creation~

Why, you'd think you were seeing one of the "battle dolls" from long ago~!

Are you comfortable here yet? You and I are so alike, after all... it's the eyes...

Say, Kyoushirou ... why don't we go and do a little sight-seeing?

See? Look ...

I can see it with my own eyes, as can you... the future of the True Mibu Clan.

We'll sweep away the false Mibu and restore our "battle dolls" to our full control~

The secret has been exposed! In the face of the shocking truth, what will Onime no Kyo and the others do?!

I want us to really enjoy killing off our creations...
